Attribute change

My MPKI service does not correspond to the register entry anymore.

I would like to request an attribute change corresponding to the new register entry.

My register entry contains the company name in different languages. I wish to use the following version of the company name:

English German French Italian

Please be aware that this change form can:

- Prompt us to change all attributes according to the latest company register entry.
- In the case of a Register ID change we will ask you to fill in a new order form.
